READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Girls, Girls, Girls

Dear Virgin Territory,

Thank you for publishing my letter in the April '12 issue of your mag on pages five and six. And thanks for the photo of Hydie on page six.

But I was not too keen on Bella. She did not fit the bill of a Hispanic girl. I want to see a black Jamaican girl like Hydie or a black Cuban girl like Mimi and Asian girls.

Okay, now to the Jan. '12 issue. I really liked Karmen. She is fucking hot. I loved the pictures on page 61. I love that girl cream. I also liked Sam and her sexy bush. I also liked Lizzie, Holly, Karine, Holly number two and Barbie. From Feb. '12 I really liked Bonnie and her huge bush. Thank you for Bonnie. I also liked Iwia. Can we see Tiffani do hardcore? I also liked Megan, Britney, Bella and Jennifer. From March '12 Emily is just so sexy. What a great camel toe shot on page 19 and a great set of tits. I also liked Brie and Daisy. Can we see them in hardcore sets? I also liked Natalia, Trinity, Holly and Rio. From April '12 I really liked Tracey and her sexy bush. You can tell reader O.S. from New York, New York who wrote in

the July '12 issue that Tracey will not be shaving her pussy. I also liked Zoey, Sasha, Mae, Alyssa, Allison, Jessica and Rilee. Rilee is an angel. From May '12 I really liked Pepper. What a cute redhead. Can we see her in a hardcore set? I also liked Ienna. Mandy, Jayda, Michelle and Karmen.

The hardcore was okay, not great. The best cum shots for me are Holly of Jan. '12 first, Holly of March '12 second, Elizabeth third and Mandy fourth. Anna, Sasha and Jennifer had good hardcore sets but their cum

shots were too weak. But still five good mags.

I was looking at the back of the hardcore Xtra pullout section from Feb. '09, and that is what I call a cum shot. The Money Shot of the Month with Ruta from Feb. '01. Can I

have that pic next to my letter so all the readers can see this work of art? Thank you for a great mag.-J.M., Falkirk, Scotland, United Kingdom

Dear J.M.,

photo. He

requested it!

We'll gladly put that photo next to your letter in the International editions of 18eighteen. However, for those buying

18eighteen off a newsstand in the UK, we apologize but due to censorship issues we cannot publish that photo in the UK edition. Instead, enjoy the photo of Tracey and her bush!

#### **Pussy Parade**

Dear Virgin Territory,

There were some lovely pussies in the Nov. '12 issue. Sydney had some nice, big juicy pussy lips. Cassie had some little danglers with pretty, pink insides. Alexis's tight slit is always welcome. Emily's delicious, pink cunt looks so appetizing with all its folds. Lacey is another babe with meaty pussy lips. I liked seeing her curtains wrapped around that pole. I think Ally had the tiniest slit in the whole issue. Even her hole looked itty bitty. I would've liked to have seen more of Mary Jane's "Shy Slit." Couldn't tell too much about it since she was embarrassed to show it. And Megan has such a nice, clean pussy and perfect butthole. Great job as always, 18eighteen.-W.Y., Saginaw, Texas

Dear W.Y.,

Please write in and rate our girls' pussies every month! Really, we love it!

#### **18EIGHTEEN WANTS TO KNOW: VHICH KIND OF PUSSY DO YOU LIKE MORE?**

Now, let us get one thing straight. We think all pussies are beautiful. Whether they're bald, hairy, have protruding labia or tiny lips, we're glad to see them. But we're just curious to know what you like! Write in and

tell us. Send email to letters@18eighteen.com and letters to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126.

# Tug Jobs-Tantalizing or Total Tease?

Dear Virgin Territory,

Interesting pictorial of Alexis doing a tug job. I don't think I have ever seen a pictorial like that in your magazine. It was a strange change of pace. I'm one of those guys who isn't too crazy about hardcore. I prefer to see the girls solo.

But the tug job was a decent compromise. The guy's cock wasn't too invasive, as in, it wasn't in her pussy or her mouth. And it was nice to not be able to see his face. I still would have preferred a solo of Alexis, but this wasn't a total boner-killer. I just don't like to see other cocks in porn. I want to imagine that it's just me and the girl, and seeing another guy's wang in the way kind of kills it. I'm not one

of these guys that gets turned on seeing a girl fucking another guy. Just doesn't do it for me. Nice try with the tug job though.—F.F., via email

Dear F.F.,

We're still undecided if we will shoot another tug job scene, but we figured it would be something interesting to try at least once. As always,

thanks for the feedback.

Dear Virgin Territory,

Nice tease with Alexis's hand job in the Nov. '12 issue. Now I just want to see this little hottie fuck even more. I have to admit, Alexis's hand job got me all worked up. Every time I turned the page I was hoping to at least see that cock in her mouth. But seeing her in photos like this gives me hope that she will do hardcore. Now that I've seen her with a cock in her hand and between her boobs, I am dying to see her with a cock in her pussy! And

how she's teasing me with that load of cum in her hand! I hope to see her with a load of cum on her face or in her mouth or pussy. You guys have really built me up with this pictorial. Please don't disappoint me by not showing Alexis in some real hardcore!-J.O., Eugene, Oregon

Dear J.O.,

Alexis does do hardcore! You can see her in the DVDs Cotton Tail 2 and Glazed Teens. They're both available for order on page 9.

#### **Brace-Face Cuties**

Dear Virgin Territory,

I love it whenever you do a Braces Special. The one in Nov. '11 was great. I only remember one other one from a few years ago. I would love to see something like this in every issue, but I realize that you probably don't shoot enough girls with braces for that. Instead, maybe feature a brace-face of the month in every issue. I just can't get enough of metal mouths!

My favorite brace-face is Kyleigh. She's just so cute and sweet looking. I know eventually her braces will come off, but I hope she never loses that twinkle in her eye. When I look at her pictures, I don't know if I want to hug and kiss her or stick my cock inside

her! She is so adorable and has such a (yleigh is a 100 percent brace-face babe. Just look at that weet smile!

fresh, sweet face, and that's exactly

what makes my cock hard. Kyleigh just does it for me. And of course the braces add to her innocent appeal. In my opinion she is the goddess of youth. Her smile could light up a room. I would totally make Kyleigh my girlfriend

if I could, and I would give her anything she wants. If only these young girls knew the influence they have over guys like me! But then again, it's probably best if they stay modest and not turn into bitchy gold-diggers. Anyway, thanks again for the wonderful special and for introducing me to brace-face cuties like Kyleigh.-S.W., Holden, Massachusetts

Dear S.W.,

No group of teens is quite as loved as the metal mouths in 18eighteen. As you mentioned, we don't get too many girls with braces in our studio, so doing a brace-face of the month feature would be challenging. But rest assured that whenever we do we're quick to get her in the magazine for fans like you.

#### A Janitor's Fantasy

Dear Virgin Territory,

I loved seeing Megan rock that janitor's cock! I'm a janitor, too, so that pictorial was very exciting for me. As a janitor, I have to tell you that I check

out girls all day long. I work at a local community college and I see young, beautiful women constantly. It almost makes up for the fact that I make peanuts for pay. Unfortunately I don't think any of the girls there would be checking me out. I mean, do girls really go

for janitors? But if a girl like Megan pulled me into a room to fuck I'd totally do it, even if it would be risking my job. Seeing her get that cock in so many different positions got me so fuckin' horny. She has a great body, and such nice perky tits. If I were able to bang a girl as hot as her I'd be one happy man. Thanks for keeping the dream alive, 18eighteen.–Anonymous

Dear Anonymous,

Believe it or not some girls do go for janitors! They've told us so themselves.

Sometimes it's to piss of their parents or school administrators, and sometimes it's because they genuinely have a thing for blue-collar men. And what's more naughty than fucking a janitor?

#### **Modest Mary**

Dear Virgin Territory,

Props to Mary for keeping it classy and not spreading her pussy. I know some guys might be pissed off that they don't get to see her spread, but I am not one of those guys. I prefer closed-leg poses, but there are not too many quality magazines that print that kind of content. I like to see nude girls looking classy, not raunchy. It's good to know there are still some young girls out there who have a shred of modesty. And good for you for publishing a girl who is not as overly sexified as the standard. A girl like her is a breath of fresh air.-H.B., Charlotte, North Carolina

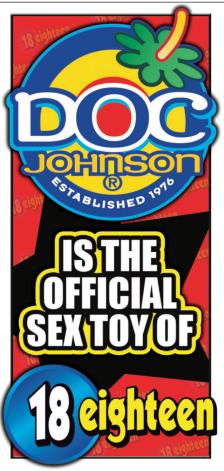

Dear H.B.,

Although our standard is usually to show graphic and raunchy photos, we're glad you appreciated Mary's toned down layout.

#### Nothing But Nip

Dear Virgin Territory,

Ally's boobs are too big to be featured in 18eighteen, and Emily's are

*iteen* mailing label.

not far off either. They are both attractive girls but have such curvy figures that they might be better suited for another magazine. *18eighteen* should really just be filled with flatties or girls with B-cups at the most. For example, Sydney's chest is perfect for *18eighteen*. She is virtually flat, and I that's what I want to see. Mary has a nice set of perky tits, but they really shouldn't be any bigger than hers. And I'm on the fence about Alexis's rack. I can see

Jessi deserve a mention. The panty shots (especially seated ones), the long, white over-the-knee socks and lovely smiles all add up to a terrific issue. Jessi is an example of the perfect girl for your magazine. Her shoot in this issue is probably the best you've offered as long as I've been buying. I hope you can continue to produce more issues of this quality. Please try a college uniform a month. Try navy or black blazers with blue mini skirts,

how other guys would think her tits are nice, but I just don't think they belong in *18eighteen*. The rest of the world idolizes big tits. They can have 'em! Just give me all the flatties!—C.M., Ardmore, Oklahoma

Dear C.M.,

While we do try to get the flattest of the flat in 18eighteen, we can't disqualify other lovely girls because of a slightly larger chest. We understand your point, but Emily is definitely a reader favorite. We try to include a mixture of small-boobed girls and those who might have bigger (but not too big) cups.

#### **More Uniforms**

Dear Virgin Territory,

I am just writing to congratulate you on the Oct. '12 Back to School issue. Three sets in particular were great. Alexis, Pepper and especially white blouses with ties, white knickers either with long, white socks or even with black tights, black heels, glasses, etc. I think the quality of your girls is never questionable. With more consistency we can have a cracking issue every month. Praise again to Jessi and her wonderful shoot.—J.N., England, United Kingdom

Dear I.N.,

Thanks for the kind words. We'll definitely keep your idea for college uniforms in mind, as they're a popular request.

#### Keepin' It Real

Dear Virgin Territory,

I want to say thank you for not removing the birthmark on Cassie's butt. Personally I like to see these imperfections on models. Seeing a little cellulite or stretch marks is better

## Nadia is a real go-getter type.

 $^{\prime\prime}I$  give my all in everything I do. I was even my class valedictorian. The same is true for sex. I love it, and I work hard at it. Some guys just want to pound you, but I prefer to do the pounding."

#### Do you like seeing Nadia ride a big cock with her skirt on?

A few readers requested photos of a girl having sex with a skirt on. What do you think? We knew Nadia would be the perfect candidate for this because she likes going commando while wearing skirts. "A lot of the time I don't wear panties, even if I'm wearing a skirt. They seem like extra clothes that I don't really need on. Plus it gives the guy easy access to fuck me if we're in public."

#### Nadia doesn't even flinch when a guy cums on her face!

For the girls who wince when a guy cums on their face, it's cool. We know it can be a sticky situation, and even if you're on your knees waiting for the eruption, it can still catch you off guard. But Nadia doesn't flinch. In fact, she revels in the spray, showers in it, even! "It's like learning to open your eyes under salt water. You're scared at first 'cause you think it'll burn, but once you go for it you realize it's not a big deal and it's way more fun! I'm so not afraid of a little cum on my face."

# We just can't get enough of this hottie!

Abby was just in the Holiday '12 issue. Our reason for bringing her back so soon is admittedly a little selfish. She's so hot we just couldn't wait to see her again! As we said in the Holiday issue, Abby is practically flawless. She needs to be shared with the world! That slender figure, those perky tits and that smooth pussy. How could you resist?

#### Abby cast a spell on us.

So we asked if she was a witch. And yes, she laughed. "That's a cheesy but funny pick-up line!" she said. Whatever makes the ladies smile! And guys, take note. Abby's panties get wet for a funny dude.
"I love it when a guy can make me laugh. Even if he's not that great-looking, if he has a good sense of humor I totally want to bang him."

# Abby hasn't had many boyfriends.

But she has done her fair share of fucking. It's just been mostly outside of relationships. She's only dated one guy! "I lost my virginity to him, and he turned me into a freak. We had some amazing sex. But it got me so horny that I broke up with him so I could experiment! That's why I'm the crazy-horny girl I am today!"

added, smiling. "And you have always been beautiful."

She smiled—a supermodel unaware with tinseled teeth—and then her eyes went darker, sexier. "I want to," she said, confidence growing, and he watched as she took his cock between her full lips, there in the locker room, in the very showers where she and her teammates had been soaping up all year, and slid it slowly, excruciatingly, hotly, down her throat.

Now 20, Charlie recalls the locker room scene as the ideal fantasy.

"Ty was the assistant coach," she told me. "Everyone had been crushing on him ever since he started working

with us as part of his graduate studies-sports medicine, I think-but since everyone else sort bloomed before me...they all got boobs and boyfriends and everything and I just stayed the same: skinny, brace-face Charlie," she giggles. "My crush never went away. The first time I touched myself, it was Coach Ty I was thinking about."

And it was in the locker room.

How many of you out there have thought about it? The locker room: a sexy stronghold of fantasies, romanticized by young guys and 50-year-old men alike, a modern-day

harem tent alive with the energy of beautiful, developing young bodies. What would it be like to peek inside? To see them all in that relaxed state, playing in the shower, chatting about boys, lathering up their lithe, little bodies—the small mounds of their breasts, the soft, blooming fur on their tender teenage boxes.

For Coach Ty, that moment with Charlie was likely the culmination of a dream he'd had, you've all had. And what of young Charlie? Well, she obviously loved it, too.

"I was so nervous," she remembers, her dazzling smile now free of the braces that had made her experience the picture-perfect scene. "He was a man, I was a girl, I'd never been touched, kissed, anything and there we were, in the lockers. I should have been afraid we'd be caught but I wasn't. I was only afraid of not pleasing him, but the moment I slid his beautiful dick into my mouth, something inside me took over. And even though I was scared, I knew it was right. It was my time. And Ty, a man not a boy, was the right choice."

Charlie slid him tentatively in and out of her mouth, unaware of how unearthly beautiful she looked with the water running over her clean, young face, her lips puffy with passion. They felt like heaven on Ty's cock, soft and pillowy, the inside of her mouth hotter and wetter even than the hot spray of the showerheads around them. He watched her learning to suck cock, learning on his cock, loving the shy smile she'd give him as he told her how good it all felt, the way the glint of her braces looked with his thick meat between her teeth.

"I could feel him getting close," she said. "I'd never, you know, seen a man have an orgasm before, but I'd read about it in some sexy books and stuff, so I was ready, but then he stopped me, moving me to one of the benches. And I got shy again. He wanted to lick me and kiss me–God, I'm 20 and I still feel shy when I tell the story–he

wanted to kiss me down there."

She didn't want to let him.

"I giggled and pressed my knees together," she says, chuckling even now at the memory. "I was embarrassed. But secretly, it was something I'd

"I wondered what his big, slippery tongue would feel like down there, licking me and sliding up into my tight, little hole.

It got me crazy-wet." thought

about a lot when I played with my pussy at night in my room. I wondered what his big, slippery tongue would feel like down there, licking me and sliding up into my tight, little hole. It got

me crazy-wet."

Ty grabbed the soap and began to lather her long, lovely thighs, telling her how sexy her little, orange muffin was, how he wanted to put his nose in it. "'I bet it smells like orange candy,' he told me," she remembers. "I laughed when he said it but God, it turned me on. I felt my clit just swell up so

big, like it had heard him say it. I began to relax as he stroked me with all the soft, silky soap suds. And then I opened up my legs."

She watched, breathless, as he spread her open—right there in the light of the shower. "Just watching him look at my pussy was getting me hot. My nipples, which basically cover the whole of my tiny, little boobs, were tiny and rock-hard, like points. They felt tight and tingly and almost a little painful, and it was reflex that I reached up to play with them while I watched Ty. When his lips closed around my clit, when I saw them disappear between my soft, peachy lips, I came: my first-ever orgasm with another person. It was the best feeling ever.

"He felt like I was going to move and reached up to hold

my legs, gently sucking on me, clamping his mouth onto my little pussy and making the juice just run from it. I could feel him drinking it out of me. And then it was over, and even though I was scared, all I wanted was to have him inside me.

They changed positions, with Ty sitting on the bench.

"He let me do everything at my own pace," she said. "I was afraid about sex hurting before, but after the orgasm my cunny was on autopilot, and I simply plunked down

on his lap with one leg wrapped around his waist, the other bracing me on the floor. His cock was harder than any I've touched since, and I moaned as it slid up inside me, feeling the stretch and pop and snap of my tight, wet, virgin pussy opening for its first taste of a man. It was so hot and sexy and beautiful, and then I rode him...I rode his cock so hard and deep and wild. I felt the softness of his balls pressing on me as all seven or eight inches of him slid home inside me. I felt his teeth and tongue on my neck, his hands holding my face, his fingers sliding into my mouth, and I sucked and bit on them. I'd forgotten all about my braces and my shyness. And his cock welling up in me again, and I told him so. He got harder and harder and harder, and then he forced me up off him. I dropped to my knees and pumped it, my hands over his hands, pumping his big, thick cock until the milk bubbled up out of it like a hot spring."

Coach Ty and Charlie dated for the rest of the summer. "And then, like a little bird ready to fly, we said goodbye and I flew off." They don't talk anymore. Life for Charlie is too busy. "But you know, whenever I take a long, hot shower, I still think about him."

# Very Candid Camera It's a decidedly less roman-

tic tale than Charlie's, but

no less hot. A horny college guy, an engineering student with a hard-on for robotics, inspired by a late-night viewing of the original "Revenge of the Nerds," decided to do a little peeping of his own.

"I put a pinhole camera on my girlfriend, Stephanie's, shower basket," Jeff explains. "It's basically like a sand pail for the beach with holes so the water drains out. She keeps her shampoo and soap and whatever in it. All the girls have them. And I sent it in with her on one of her volleyball league nights-with her permission, of course-then sat out in the parking lot in my car with a laptop. I wasn't sure what-if anything-I'd see. I kind of just wanted to see if we could get away with it."

And did he ever. In fact, he was nice enough to share the video with me.

Black turns to bright fluorescent as Stephanie, adorable and sweaty from the game-which they won, judging by the smiles and high-fives and generally good mood-takes the shower basket from her locker. The video has no sound, which only adds to the amateur, voyeuristic quality of the piece. It actually makes the thing sexier!

She places it on the bench. Girls are everywhere. A pretty black girl, 20 perhaps, pulls a jersey over her head, her friend undoes her sports bra and two gorgeous C-cups spring free in all their glory, shaking and moving provoca-

underwear comes off and she turns to stuff it all in the locker. That ass. Oh my God, she is flawless and gym-conditioned. Lean and muscular but still curvy in all the right places.

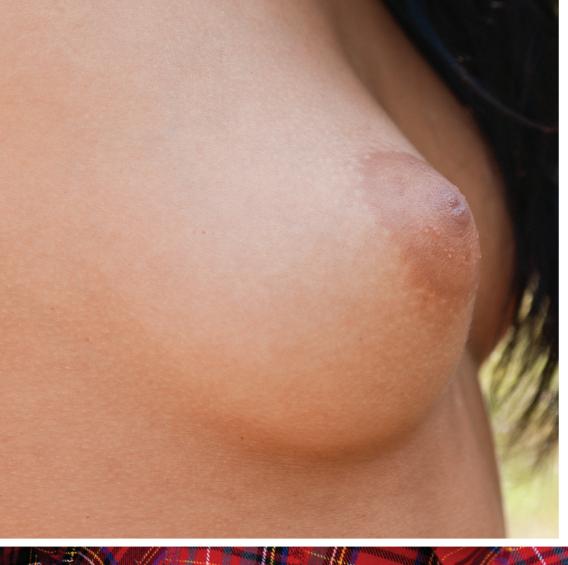

The tiny, little brunette next to her is naked now, too. In fact, they all are. They don't even wear towels. They strut casually, as you'd imagine...fluffy cunny tufts of all sizes and shapes and colors (a few bare shaven beauties as well) parade before the still camera until Steph picks it up and joins the parade of women in the wide-open shower room and sets it down on a bench at the pitch-perfect angle. It's uncanny. It's a wide shot of half the room, four showerheads in all, each with a different beauty soaping and chatting under the spray.

There is conversation. Laughter. Pretty black girl shares her body wash with the petite brunette next to her. This one has a heart-shaped tattoo on her pale hipbone, drawing the eye directly to the artfully manicured, little landing strip that graces her mound. She grabs what looks like a natural sponge and lathers it up and then magic happens. Pretty Black Girl approaches with delicate braids swinging; her flawless ebony skin dappled with snow-white suds as she takes the sponge and begins soaping up Brunette's back, holding Brunette's long, dark hair to one side. The two of them speak to each other. And occasionally to someone off-camera. They smile. They laugh. PBG's hand slides around the brunette's tiny waist, sliding soapily over the tiny rise of belly beneath her navel and then, shockingly, plunges downward between those soft, slender thighs and begins to lather her pussy. She moves the sponge rather aggressively. It is very, very hot.

Brunette's head tips back onto PBG's shoulder, opening her neck and collarbone for kisses and gentle bites. Her hands slide around back, clearly squeezing and separating

#### Diana is only 18, but she's already a pro at giving the come-fuck-me look. So hot!

Oh, that smolder! In these photos, Diana has one expression on her face, and it says, "I know you want this pussy." The way she flips her hair and smirks so subtly is her trademark sex-kitten look. "I honestly don't think too much about the face I'm making when I'm modeling," she said in an adorable Russian accent. "I do try to look sexy, but I don't try that hard. This is how I always pose for photos. It's what comes natural to me." As modest as she tries to be about her allure, she knows full well what she's doing. "When I make this face, guys will do things for me."

## "I love to suck big cocks and get fucked in the ass."

That's what Bella said when we asked her what her hobbies are! Obviously, she's one fun girl. "I've been told I give really good head. I can take it really deep, even if it's a huge cock. I don't mind choking a little." Bella is a natural when it comes to pleasuring cocks. She says she never really watched a lot of porn or had to ask her girlfriends what to do during sex. "I just knew, and I did whatever felt good," she said. And you know what else feels good to Bella? Sticking things up her butt! "I love anal. When a guy is fucking my ass, I have to bite a pillow or else I will wake up the whole neighborhood with my screaming. It's actually happened before!"

PBG's round ass cheeks (making me wish there was a second camera on the flip side). She likes it and the hand goes deeper, rubbing firmer between Brunette's legs where a huge mound of suds has grown, collected and begun to run down her legs and pretty, little feet.

That is a seriously clean, little pussy, I think, wondering for a moment what scent of body wash they've been using. Not surprisingly, PBG gets the same idea.

Removing the showerhead, PBG eases Brunette against the cool tile of the wall and rinses her box to sparkling. She

crouches between her legs, showing off that incredible rear end, then laughs, spreading Brunette's pussy lips and showing the lovely purplish inside to someone she's speaking with off-camera. She spreads it wider (Brunette's eyes roll back in her head in anticipation of what is to come), showing another person, perhaps Stephanie, as she gestures and spreads it almost for the benefit of the camera. Her pussy is

beautiful and pearly and slick-and then it is gone, replaced by the back of PBG's head as she goes at it like a kitten to milk. From the looks of Brunette's face, she has considerable talent. Her right arm moves gently and we can tell Brunette is getting a finger-fucking, as well. Or maybe some extra attention to her clit.

Brunette's face is flush-pink with excitement as we see her approaching orgasm, her nipples taut, stomach

and thigh muscles clenched, hands wrapped in PBG's braids, guiding her as she licks and sucks and finger-fucks her to exquisite climax. She slides down the wall and they kiss (Brunette's face is hidden). PBG turns and we luxuriate in Brunette's smooth, blissful, post-orgasmic face as PBG digs around for something in her shower basket. She pulls out a thick, pink, jelly dong.

PBG waggles the toy provocatively for the camera and laughs-it must be 10 inches long. Brunette opens her eyes, moves closer and the two of them begin to lick and suck it, tongues co-mingling as they give this inanimate cock the most incredible, unappreciated blow job in history for the torturous benefit of the camera.

They say a few words and PBG sits with her back against the wall, knees up, legs wide, revealing the gorgeous brown-and-purple orchid of her tender and very wet pussy. Brunette, talking all the while, gingerly teases her puffy clit with the tip of the dong; she uses her fingers to spread her hole, revealing the lovely pink of her pussy's innermost crevices.

The colors and wetness are mesmerizing, fruit-like and

contrast vividly with the artificial pink of the toy, which Brunette now slides up inside all the way to its faux balls. PBG is impaled. And she loves it. She uses her own fingers on her clit, spreading her pussy lips wide while Brunette fucks her slow and deep, pushing the thick cock all the way, every time, in perfect rhythm as PBG shows us just how she likes it, flicking and pinching and rubbing her nub, wetting and rewetting it with the cream that's oozing from her box as the dong moves in and out.

She's getting closer, but not quite there and Brunette, lips wet, mouth hot from its proximity to that beautiful berry-brown quim, moves in for the kill, tongue darting out to lick and circle that lust-fattened button and sending PBG over the edge. She's moaning now, howling perhaps. We can't hear her, of course, but the expression of ecstasy

> on her pleasure-strained face is enough to make my mouth dry and other parts of me quite wet as I watch.

> Astonishingly, as the scene unfolds, the camera pans back slightly and two blondes enter the frame in the foreground. One of them is Stephanie. Both of them have tight, athletic, little bodies. Stephanie, a dirty blonde, has pronounced tan lines that accentuate dark, sexy nipples and a triangular, little bush that's gone darker

in the wet of the shower. Her friend is pale white with a pixie cut-platinum blonde with what looks to be a small streak of black (or maybe purple, I can't tell) on one side. Her pussy is completely bald. A tiny clit ring protrudes from between petal-soft lips. She can't be more than 18.

Pixie lies down, her head in the direction of the camera, and Stephanie kneels between her splayed legs. She plants hot, wet kisses all over her smooth, hairless mound and then-just before diving tongue-first into that bald box–Stephanie winks at the camera.

At this point, I look up at Jeff, who has been waiting for the video to hit this point. I pause it.

"I know," he says. "At this point, there in my car, my cock was so hard it was almost painful-and then, for a moment, I was in a panic. Of course she knows, but what if she told these girls? I was going to get thrown out of school. But then, I just kept watching."

He reaches around to un-pause the action for me.

Stephanie's head lowers into Pixie's lust-swollen crevice, cleaving it, the camera now veering clumsily in as

someone moves it closer to the action. Here's where sound would have been nice, to hear the wet, slippery noises as she devours Pixie's slippery quim, smiling with eyes closed for the camera, making it sloppy and sexy and gorgeous as her lips close around the clit, then dance on it like a hummingbird, making Pixie's tiny hips shake and shimmy on the shower floor with an earth-shaking climax.

The camera pans out. PBG and Brunette appear to have left. Stephanie rises and, kneeling,

holds up a sign. I'LL BE RIGHT OUT. BE READY FOR ME. The camera winks

"She was outside in less than 10 minutes, wearing nothing but a cotton sundress and still damp and clean from the shower," Jeff tells me. "I was in the back seat, cock out, as she slid in and closed the door. In one smooth move she took me into that hot mouth that I now knew still had the taste of that sexy, little blonde in it. She was wet and sloppy and noisy and best of all-REAL-as she swallowed my meat over and over again, soaking my

"But before I could cum-and it didn't take long to get there-she was up and off and then right on top of me, bearing her tight, hot snatch down onto my pole like a gymnast. She fucked me harder than ever that night. I'd never seen her like that-riding me, telling me how she loved fucking me, what a turn on it was to do her little show for me. She wasn't lying, either; her pussy was the wettest it had ever been. She kissed me and that was it. I could taste

# **Cara just** wants what every girl wants...

"A guy who'll grab me and kiss me when I least expect it, then throw me on the bed and just take me. I want him to show me how badly he wants me." There's something to be said about the element of surprise. As much as anticipation can make a girl's panties wet, so can a surprise kiss-one with lots of tongue and an accompanying hard-on pressing against her leg. Her guard is down and she has no time to think, just react. "All girls like to be surprised. It keeps things interesting and hot. You don't want to always have the same boring sex."

# You know what other kind of surprise Cara likes? The one in your pants.

In girl world, there's something called The Moment of Truth. And that's the moment when a girl first sees a guy's cock. "Oh man, it's the best when I first see a guy's cock and it's so big and fat! I love it! I feel like when I first pull down his pants it's shining in my face, just begging to be put in my mouth and pussy. I love it when I can barely get my mouth around it."

than seeing a body photoshopped so smooth that it looks fake. I just want the real thing. That's why I usually prefer videos over photos—it's much harder to hide imperfections. # **Creampie Fake-Outs**

Dear Virgin Territory,

You have annoyed me by promoting what you don't deliver.

I am a subscriber and I just bought Flat and Fucked 4 and

After School Slut Club. Frankly, I subscribed because you started showing creampies, so I particularly look for them. So, when text in Sasha's magazine appearance said she liked taking creampies, I thought she might do one in her scene in Flat and Fucked 4. She didn't. Okay, just a tease. You used a photo shot from Colby's magazine layout, which showed a creampie, to promote Flat and Fucked 4, creating the impression that scene would be on the disc. Again, no creampie in the video. Another tease.

But you used the actual creampie magazine shots of Paige and Barbie to promote After School Slut Club, and neither video shows a creampie. Now

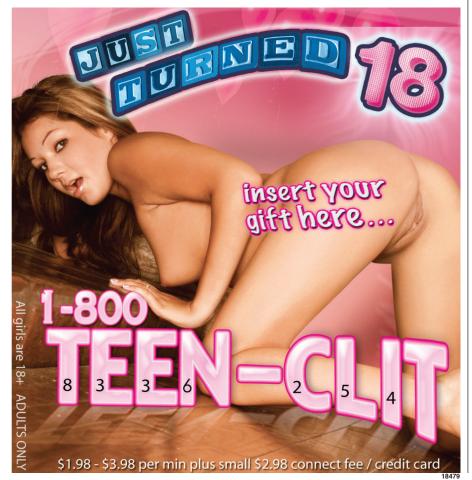

it's obvious why a girl, particularly a young, pretty one, is going to be leery of taking a real creampie, and it's certainly much easier to fake up a realistic creampie for a still picture than for a video scene. But you have some lovely video creampies in Creampie Cutie Pies (Zoey is gorgeous-more scenes of her please. I do have the mags Dec. '11, April '12 and July '12), Flat & Fucked 5 (Alyssa's expressions are great, either she was happy or she's a good actress) and Lil' Fucks (Gigi's fine, though Nychole looked to be having second thoughts)-and if any of those were faked, I can't tell, which is how it should be. So why, then, do you use creampie pictures to promote videos without?

Now you're promoting a new disc, *Naughty Fuck Buddies*, with a Barbie and Paige scene like one in the magazine, where again Barbie was shown with a creampie. I might order the damned disc anyway, because Barbie is really cute, but I'd like to know to avoid another disappointment: are any creampies shown in *Naughty Fuck Buddies*? I don't care if they're faked well enough that I can't tell. But using a faked creampie shot in the mag to promote a video that doesn't have one makes the video disappointing. Respond, please.

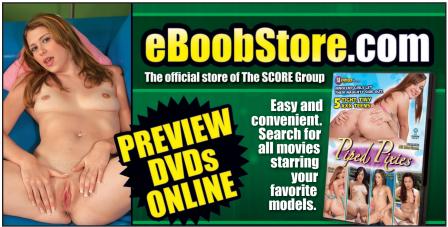

On a somewhat related topic, in the Holiday '11 issue you were asked if you would show pregnant girls. While I sincerely hope no girl has an "accident" with a creampie photosession, I note that the girl not needing to fear an "accident" is the one who is already swelling, yet I have only seen a pregnant creampie maybe twice ever! And, face it, a pretty girl is still a pretty girl; a happy, pregnant girl can have a Mona Lisa smile, and the changes in her body as she swells are fascinating.—K.B., via email

Dear K.B.,

We apologize for running photos of creampies in pictorials when there were no creampies in the corresponding video, and we also understand your dissatisfaction. To address your question, the scene with Barbie and Paige in Naughty Fuck Buddies does not have a creampie. We are no longer showing photo sets of creampies if there aren't any in the video, but this one slipped through the cracks. We will be more careful to be consistent from now on. Once again, our apologies.

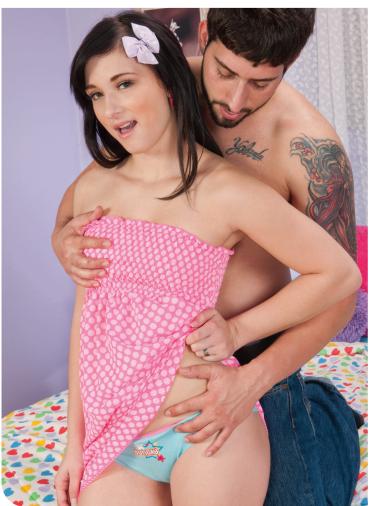

# You wouldn't think such a tight, little starfish could fit a cock in it!
